## Introduction

Welcome to the 9th edition of 29ER, the newsletter dedicated to members and fans of the Home and Aways Prediction game.

## Headline News – Alan S takes control

During a very exciting month of September; Alan S has replaced Pat L (2<sup>nd</sup>) at the top of the leader board in the main Home and Aways League game, closely followed by 'duck loving' Colin K who is leading the Scottish charge.

Alan S has been a revelation so far, in the previous game he finished 31<sup>st</sup> (out of 44). Alan has already won two accumulator games (see table below).

## Steve W wins double accumulator rollover!

Congratulations to Aussie Steve Winter who has become the biggest winner of the accumulator game (£73.50) following two rollovers (not bad for a 50p stake). Steve amassed a humongous 21 points on the 29<sup>th</sup> September meaning already his 'kitty' is looking very healthy.

## 29ER Monthly Quiz

This month's quiz questions are as follows:

Question 1: ? What is the largest city never to have had a league team?
Question 2: ? Name 7 teams that have a type of building in their name?
Question 3: ? When did Bobby Moore score his last goal?

Last Month's Answers:

Q1 – 4 Sir Alex Ferguson, Steve Clarke, David Moyes and Paul Lambert	Q2 – North – Newcastle Utd, South – Plymouth Argyle, East – Norwich and West – Plymouth again	Q3 – Coventry City
--	---	--------------------

## Burt Watch!

Burt has been in a better frame of mind in September; he has managed to claw his way up to a very respectable 31<sup>st</sup> position in the main league game. Burt stated "since the beginning of the competition my strategy has been to imagine all competitors are hound dogs and you are the fastest but at the beginning you place yourself at the back, your basically following backsides (he used another word!), then as you near the ultimate prize, your make the move and before you know it you are the victor" (once again Burt was under the influence).

## Weather Watch!

Members be warned; we are fast approaching a very vulnerable time of the year for postponements and rescheduling (in particular cup games). History has shown this can have a real impact on scores and can make the difference between winning and losing (I've seen grown men cry with regret). You've been warned!

## What would you do with £715 – Andy Williams

If 'Born Free' Andy Williams was alive today..."To win that much money would be too good to be true", I would be so happy I would look to the skies at the "Moon River" , then glance outside and play the "Music to Watch the girls go by" (dirty old goat).

## Pubs and Clubs Update

Congratulations to Kelvin H from Borehamwood (The Wellington) who has won the introductory pubs and clubs competition and winning £50 in the process!

## New "Season 2012" Game

In addition to the Pubs and Clubs game; a second 'Season 2012 Game' has now been created for new members. If you know anyone who is interested in joining and would like the chance of winning £50, please speak to a home and aways committee member.

## Quick Fire Members Spotlight – John Manley and Andrew A

This month's Members Spotlight consists of John Manley and Andrew A; thank you both for your contributions.
