Last Month's Answers:

Q1 – Arsenal £1955

Q2 – Man City and Man Utd

Q3 – Fulham (That's not a pukka price!).

Accumulator News – Clarification Week 18

The Home and Away Committee would like to clarify that in the event of there not being a single winner during the final week of each accumulator; the fund will be shared by the highest scores who have entered.

What would you do with £715 – Eric Morecombe

If the late and great Comedian Eric Morecombe was alive today and won £715..."I would spend the money 'Wisely'. I would win by picking the same matches as everyone else but not necessary the same teams in the same order. To win would be like Luton Town being in the league, it would bring me fun bring me sunshine and bring me love"! What a great man.

Burt Watch

Burt's progress during November has been like a Paul Simon song "slip sliding away". When I asked him about his overall strategy not meeting his expectations; Burt had two words for me and the second one was 'off'. However Burt redeemed himself; then entered the next game and went on to say "I'm like Chumbawamba, I get knocked down but get up again" – that's the spirit Burt!

Request your own Bespoke Game
