Introduction

Welcome to the 18th edition of 29ER, the newsletter dedicated to members and fans of the Home and Aways Prediction game.

Headline News – Former Champ Sets Blistering Pace

What a month it's been for John H, he has amassed a huge 64 points in one month which has included a 29ER! Not only has he opened up a 13 point lead, he has also won an accumulator (£73.50) - many congratulations! It's also been a great month for David W who also achieved 10 out of 10, but unfortunately forgot to enter his joker and missed out on entering the 29ER hall of fame. David's not complaining though, David had a little flutter on his selections and came up trumps (scooping £125) – many congratulations. It's also been a good month for Mark A, Michael G and Colin A who are all on the tail of the leaders.

Leader Board – League Game 2013 (2)

Alan S equals accumulator record

Congratulations to Alan S who won a huge £147 during the accumulator in September. It's the 3rd time Alan has won the accumulator, this equals Jimmy L's record. Need I say anymore about John H's incredible month.

New AKA (also known as)

An extra field in the Profile section called 'AKA' has now been added. This will make the AKA appear alongside your First Name/First letter of second name in any of the league table making it easier to identify yourself from other players.

Burt Watch

"Burt is back", was the cry in The Wellington following an excellent month for 'tyre fitting dirty burty'. He has now risen from 73rd to 42nd in the Home and Aways table, that's an incredible jump of 31 places. In fact it could've been even better if Portsmouth had won during week 6 as Burt would of joined the 29ER hall of fame. When asked about this, an angry Burt sang his version of a famous Portsmouth song "Pi** of Pompey, Pompey pi** off".

Quick Fire Members Spotlight – Tim Stillman and Josh Chapman (both new members)
