33rd Edition

Oct 2015

Introduction

Welcome to the 31st edition of 29ER, the newsletter dedicated to members and fans of the Home and Aways Prediction game.

Headline News

The top 10 couldn't be closer after week 7 with only 5 points separating 1st to 10th place, can Michael G hold onto the slender lead going into week 8. Let's not forget our other table toppers as Lee JC heads the Championship table, Imogen H the league 1 table, Tony K the league 2 table, Stephen R sits at the top of league 3, Robbie F league 4, Mike A league 5 and Josh D league 6.

Don't worry as we are not even halfway yet so there is still a lot to play for including the weekly accumulator. I am in 82nd in league 2 at present but have set myself two goals by the end of the game. One is to move up and finish in the Championship and the other is win the accumulator in one of the remaining weeks.

Mug on Tour!

Since the last newsletter the mug has travelled from Turkey to Spain. The mug has reached Son Bou in Menorca. It's good to see the mug relaxing by the pool and indulging in a bit of karaoke. Thank you Michelle & Sara for sending these in. You can view all the past photos on the website – Don't forget to take the mug on holiday with you and keep them coming for the next newsletter!
